DENTAL AND ORTHODONTIC CENTRE

Dr Peta Leigh

BDS (Melb), BSc (Monash) GDC: 78758

Peta is an aesthetic and general restorative dentist who is dedicated to improving patient health and well-being. Focusing on techniques which conserve the natural tooth structure, Peta has extensive experience in creating cosmetic improvements using minimally invasive techniques to enhance everyday smiles. Her award-winning expertise in the area of tooth whitening has also made her popular with our patients.

Peta qualified as a General Dentist from the University of Melbourne where she won the graduate award in Orthodontics before embarking in further study in the field of Oral and Maxillofacial Surgery. She then spent 18 months as a volunteer dentist in East Timor where she worked for the Ministry of Health, UN medical services and several Non- Government Organisations (NGO).

Since moving to London over 15 years ago, Peta has completed a one-year Certificate in Advanced Aesthetic Restorative Dentistry allowing her to pursue her interest in Cosmetic Dentistry, Tooth Whitening and Facial Aesthetics. Peta enjoys looking after both children and adult patient's and is regularly complimented for being down to earth, reassuring and positive.

Peta provides all kinds of routine, cosmetic dentistry and facial aesthetic treatments and is a member of the British Academy of Cosmetic Dentists (BACD) and British Dental Association (BDA).
